ANNAPURNA 204

4

2

2

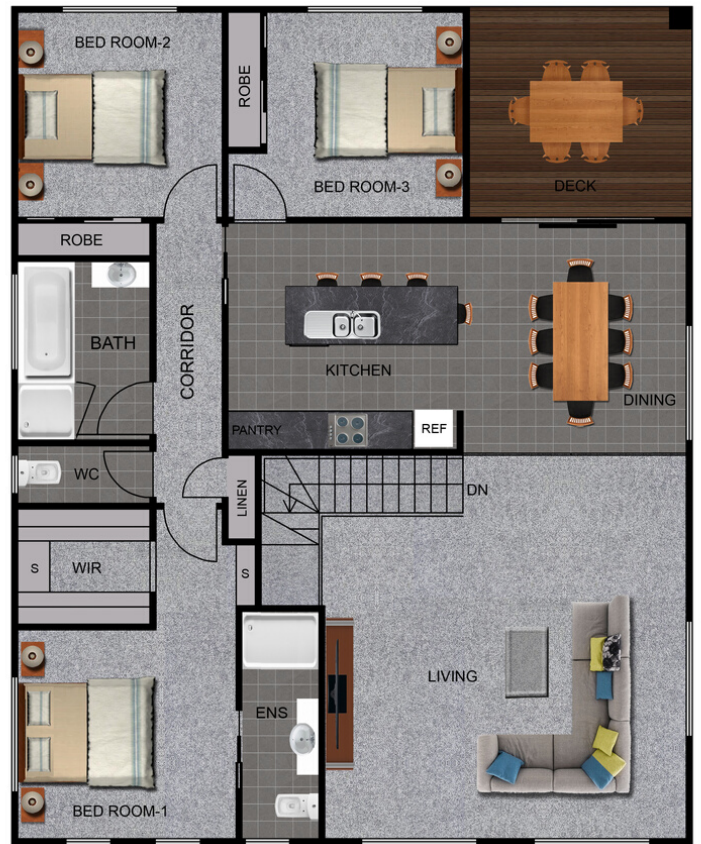

Annapurna is a section of the Himalayan Mountain Range - an appropriate name for our newest split level design. In Sanskrit Annapurna translates to full of food - which I am sure this modern kitchen design is capable of.

And this smart split level design is sure to be full of food, laughter and family. Designed around a spacious living zone, leading on to a balcony, this 4 bedroom home ticks all of the boxes.
