The Petra is sure to impress all members of the family, with its clever design and multiple living areas. Built around a central living and kitchen zone, including walk in pantry, the single storey Petra is packed with well considered spaces for the whole family. The master suite is located at the rear of the house, ensuring the parents can retreat to a quiet area, inclusive of walk in robe and ensuite. Four other bedrooms are located at the front of the house, all have built in robes and share access to a central bathroom. The Petra can be accessed directly from the double car garage, so no more carrying the shopping in in the rain!
