2

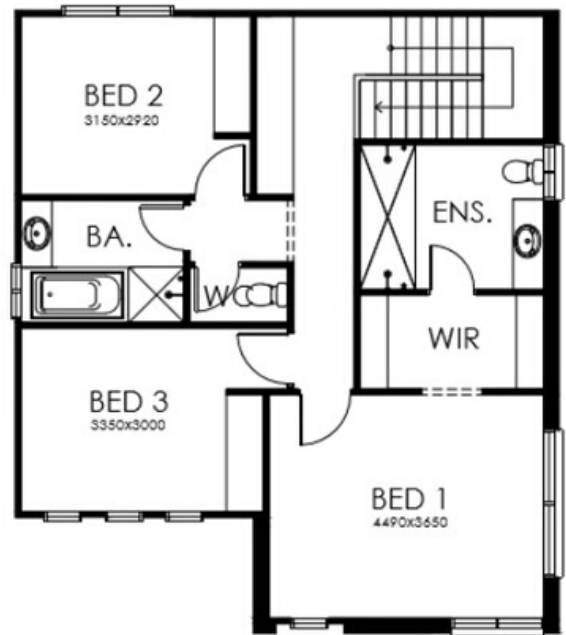

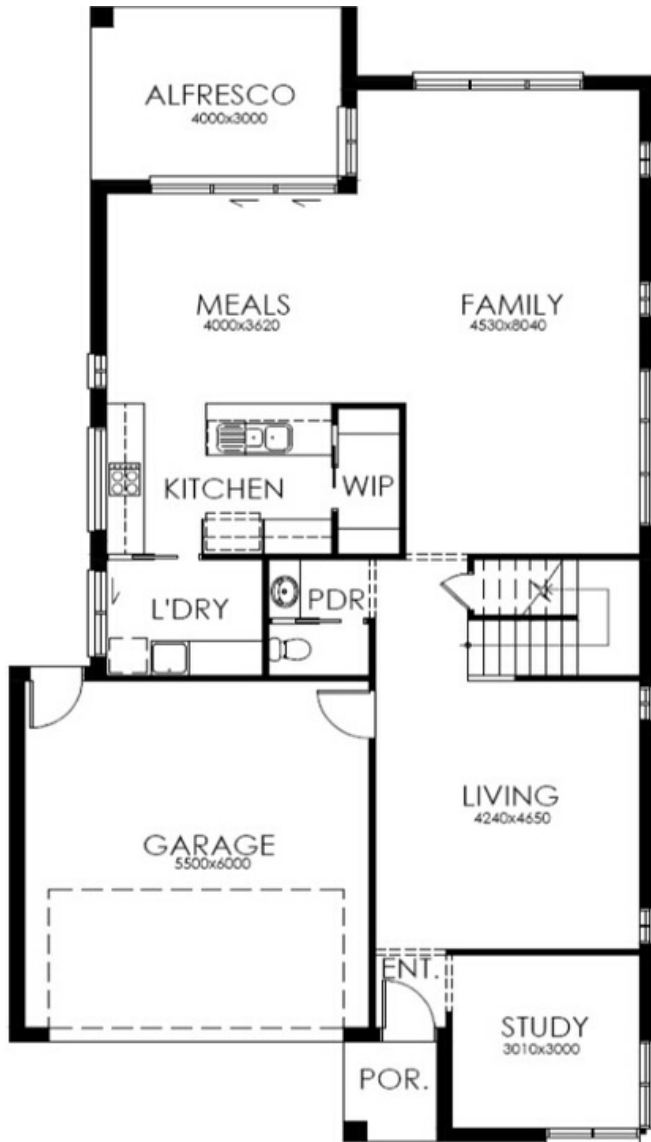

2

The synergy flowing between the two levels of the Porto fills this home with a unique aura of warmth, wellbeing and hospitality. At the rear of the home is the family living zone, where the kitchen incorporates a walk in pantry, and opens onto an alfresco entertaining area, perfect for warmer evenings with friends and family. An additional living room and a discreet home office at the front of the home ensures every member of the family will be able to find a peaceful place to retreat to.
