With the front of the Poseidon entirely dedicated to a kids' wing, this home makes perfect sense for families. Three bedrooms (all with built in robes), a bathroom with separate toilet and activity zone make up this large area, where the kids can feel free to kick off their shoes and chill. Parents will revel in the silence at the other end of the home, where the master bedroom, with ensuite and walk in robe, opens up onto an alfresco area perfect for that glass of wine in the evenings. The central, open plan kitchen, living and dining area also opens up onto the alfresco area, increasing your living zone to incorporate the great outdoors.
