Our Ranch home represents a true showpiece of modern Australian design. With its cleverly delineated living / family / meal zones, this traditional design incorporates modern features that the whole family will appreciate. The massive open plan design, leading to the alfresco at rear, provides a fantastic entertaining space, featuring a generous butlers pantry (with a sink and direct access from the garage); while the master suites has his and hers walk in wardrobes so everyone gets a special retreat. The second and third bedroom are at the rear of the house and a fourth bedroom, or home office is at the front of the house, opposite the inviting lounge which has been cleverly separated from other entertaining spaces, making it perfect for catching a relaxing with a good book and a cup of tea.
