The Regatta is a great design if you are looking to maximise your views. With the kitchen and living areas located on the upper floor to the front of the home and a seamless flow out on to the balcony you can enjoy the view all day long! A luxurious master suite includes a walk in pantry and a double vanity ensuite – along with a separate toilet. Downstairs, the second and third bedroom are conveniently located off the retreat – perfect for when the kids have their friends over. A fourth bedroom or home office, along with a study nook in the kitchen, ensures everyone will be able to get homework done on time.
