Whether you are starting out or starting over, you will find that this three bedroom home includes all the elements you need for your family – this includes a gorgeous integrated living hub that combines the kitchen, dining and living room. The private master bedroom located at the rear of the house features an ensuite bathroom. The other two bedrooms are contained off the living area, along with the bathroom and laundry and a direct walk in from the garage. Everyone in the family will love this compact home design.
